

Gehna,

The crazy part is over - the dancing, the celebrations, the whirlwind of it all. Tonight, as you sit on the edge of this new chapter, I hope you feel the warmth I'm feeling. Maybe you're anxious, maybe you're calm, or maybe both. But remember the hardest part was done months ago, when you said "yes" to Ayush. Look how right that decision was.

Trust your gut and flow with it.

Tomorrow isn't about perfection - it's about love, laughter and the new life you're building. Or maybe 7 lives.

And if, by some chance, anything feels overwhelming, just know I'll always have a getaway car ready for you.

Literally and figuratively.

But something tells me you won't need it.

Tomorrow is going to be everything you dreamed of and more. I love you.

And I'm right by your side.

Sleep well my beautiful bride.

The best is yet to come.

All my love,
Madhavi
